Spring 2024

Dear Proud Parent,

Commencement is just around the corner—an exciting time for both you and your graduate! It's a time of recognition and pride, a time to look back at your student's tremendous journey and imagine what's ahead...

In May, the importance of this achievement will be celebrated in the pages of *The Finish Line*, the annual graduation issue published by **Student Life**, Washington University's independent, award-winning student-run news organization. *The Finish Line* is a keepsake magazine, dedicated to the Class of 2024, and filled with stories that look back at the last four years, along with perspectives from the Washington University community, giving the graduating class a memorable send-off.

**Student Life** would like to offer you the opportunity to join so many other WashU parents who congratulate their grad inside the pages of *The Finish Line*. This special issue will be saved as a memento; a celebration of the connections your student has made at WashU, and a commemoration of this momentous milestone.

This year's edition will publish in May, and will be available, free, on **Student Life** newsstands around our campus during the week of Commencement Ceremonies that conclude Monday, May 13, 2024.

***This note details how you can be a part of our traditional "My Baby's Graduating" section!***

We invite you to place a personal greeting to your graduate in *The Finish Line*, along with your favorite photo(s). Our designers will create your ad, and send you a copy to approve before publication.

The cost for your advertisement starts at just \$95. To ensure your treasured message to your graduate is included, please note this important deadline for submitting your ad and photographs:

**Orders must be received no later than Wednesday, April 10, 2024**

We ask that you send us your information & pictures digitally. To submit your digital photos/message, along with your secure credit card payment, please place your order online:
